NOVELTIES OF SPECIAL MERIT IN PERENNIAL PLANTS.

We shall have a limited number of the best new introductions of recent date among hardy perennials. As this year is the first time that it has been possible to secure the seed of some of the new varieties we cannot offer field grown plants on a number of them except for fall delivery. We can, however, furnish potted plants for spring delivery from stock started in January and February. Below are a few of the latest varieties. A full list will be sent on request:

Strong, field grown plants .........................................................................$2.50 to $3.00 doz.
Potted plants .................................................................................................$1.25 to $1.50 doz.

Lychnis Arkwrightii—Producing many new and lovely colors.
Oriental Poppy—Perry’s White. Pure white with crimson blotch
Lupinus Moorheimi—Pink, very vigorous growth.
Lathyrus—White Pearl. Flowers double the size of other varieties.
Buddleia variabilis magnifica—Butterfly Bush or Summer Lilac.

We shall be glad to call at your convenience and give you the benefit of our experience in laying out your grounds. We can arrange to take charge of any planting if desired. We carry many things not listed here. If there is anything you want, ask for it.

We deliver free of charge to most points on and around Lake Minnetonka. A membership in the State Horticultural Society for one year is given with every order amounting to twenty dollars or more.

OUR RESPONSIBILITY. In growing and furnishing all nursery stock we use the greatest care to have it true to name and will replace any that proves untrue, but we shall not be liable for more than the purchase price for any error that may occur.

We guarantee to send out strong, healthy plants, fully up to grade and quality stated, Where stock that is properly planted and cared for fails to grow we will replace it free of charge, provided such stock was paid for at the prices in this catalog within sixty days from date of delivery, unless otherwise agreed upon.

This does not include evergreens unless planted by us.

The nursery is inspected annually by the State Entomologist. Copy of certificate accompanies each shipment.
